Career Fair May 14, 2014

This Career Fair is being sponsored by the ESGR and the Butte Job Service. One of the only conditions that the ESGR has made is that the first hour is to be attended by only the veterans.

The venue has been set at the Convention Center in the Mall, however as a back-up we are inquiring at the Highlands College. We brainstormed some businesses that we would like to target in the Butte/Anaconda/Dillon area. These are businesses that have a larger workforce.

We decided that we would charge \$50.00 per table for the employers. That money would be split between Butte/Anaconda/Dillon JSEC's. All of the staging would be provided by the ESGR.

Marilyn said she would speak to all of Job Services to get their involvement settled. Everyone else said they would talk to their businesses and others they could think of.

Next Meeting: Nov 5, 2013
